## SURFING IN INDONESIA. G-LAND, SUMBAWA & KRUI

### G-Land Surf Camps

G-Land is situated on the south-eastern tip of Java and hosts one of the longest, most perfect lefts in the world. Access to G-Land is by an overnight bus and ferry trip from Kuta  
**Bobby's Surf Camp** is the most comfortable camp. The central lounge & dining area has a bar, recreation facilities and a kitchen plus an air-conditioned dvd room and fan cooled huts. Packages of 3, 5 & 9 nights or longer are available.  
**Joyo's Jungle Surf Camp** is next door to Bobby's. The large open air living/dining/recreation hut in the centre of the camp has a bar, pool table, table tennis and TV/dvd lounge area.

### Sumbawa

**Aman Gati Hotel at Hu'u Bay**, on the island of Sumbawa, is directly in front of Lakey Peaks, Periscopes and several other great 5'- 8' breaks. Facilities include affordable fan-cooled and air-conditioned rooms with satellite TV, swimming pool, internet café, pool table and friendly bar.

### Krui - West Lampung. Un-crowded, un-explored

Krui is located 6 hours from Bandar Lampung on the southern tip of Sumatra, in West Lampung. The waves in Sumatra are some of the most varied, consistent & excellent in all of Indo. Top-to-bottom left barrels at Way Jambu, the world class beaches at Mandiri or 200m lefts at Karang Nyimbor & Ujung Bocur. The best surf camp is Paradise Surf Camp, located in Tanjung Setia, 30 minutes from Krui literally in front of an epic lefthander. Escape the crowds, packed boats and uncrowded lineups. Fly to Jakarta and then onto a domestic flight to Bandar Lampung before transferring to camp which takes approximately 6 hours. Try to arrive in Bandar Lampung no later than 2pm and upon leaving, try to depart from Bandar Lampung no earlier than 4pm.
